AWARDS

- 2017 the Silver Quill Award, *The Journal of Military, Veteran and Family Health*, for the most read and downloaded article for 2016 (Gray, R., & Bourke, F. (2015). Remediation of intrusive symptoms of PTSD in fewer than five sessions: A 30- person pre-pilot study of the RTM Protocol. *Journal of Military, Veteran and Family Health*, 1(2), 85-92. doi:10.3138/jmvfh.3119).
- 2005 The Neuro-Linguistic Programming World Community Award.
Co-recipient of the NLPWCA for the use of NLP in education. The award was presented by Leslie Lebeau, one of the original co-developers of NLP, at the Canadian Association of NLP Convention in Montreal, Canada April 10, 2005.
- 1999 Charles Lionel Chute, Northeast Regional Line Officer of the Year Award.
Presented by the Federal Probation Officer's Association for service exemplifying the highest ideals of the profession during 1998.
- 1997 Second Circuit Merit Award for Outstanding Service
Co-recipient of an award given to the drug treatment staff of the Eastern District of New York for advances in drug treatment.
- 1997 Special Achievement Award, United States District Court for the Eastern District of New York
An award given in recognition of efforts to provide innovative treatment for drug abusing offenders.

INNOVATIONS

Creator of the Brooklyn Program, a 16 week strengths-based approach to substance abuse using tools from Neuro-Linguistic Programming and depth psychology to provide alternative treatment to substance abusers in the Federal System. The program focuses on building experiences of efficacy, self esteem and future orientation to move participants into active goal oriented sobriety.

Developed implementation plan and participation criteria for the first Federal Drug Court

Richard M. Gray, Ph.D.

in the Eastern District of New York

MEDIA

- 2014 Corley, G. (2014, July) New PTSD clinic offers relief: The Road Back Trauma Center uses visualization to rewrite painful long-term memories. *The Chronicle Newspaper (Goshen/Warwick/Chester Local weekly)*.

<http://www.positivehealth.com/article-view.php?articleid=2530>
- 2008 Extensive interview by Nick Kemp on www.NLPMP3.com about the Brooklyn Program and the nature of substance use disorders.
- 2001 Highlighted by the Federal Probation System on the Federal Judicial System's J-net intranet system as "Expert of the Month" for work in substance abuse treatment and training.

PROFESSIONAL EMPLOYMENT

RESEARCH DIRECTOR

NLP Research and Recognition Project, Cornell, NY

Principle Investigator for Pre Pilot Study of Reconsolidation of Traumatic Memories (RTM) for the Treatment of PTSD. Funded by the State of New York.

Provide research assistance to investigators in other research projects. Protocol design and implementation. Manual development. Writing and researching scientific basis of NLP.

2013 to Present

ASSISTANT PROFESSOR

School of Criminal Justice, Fairleigh Dickinson University, Teaneck, NJ.

Courses taught: Research Methods, Senior Capstone Seminar, Introduction to Criminal Justice, Juvenile Justice and Delinquency, Criminal Profiling, Legal and Professional Writing, Legal and Professional Writing (on-line), Interviewing and Counseling Skills for Criminal Justice Professionals, Drugs Addiction and the Law, Advanced Criminology (Graduate), Theories of Social Order, The Implication of Brain Injuries for Child Molesters and Pedophiles.

Tenured September 2011

2004 - 2013

SUBSTANCE ABUSE TREATMENT COORDINATOR

Richard M. Gray, Ph.D.

United States Probation Department, Eastern District of New York, Brooklyn, New York
Clinical supervisor, directly supervising U.S. Probation Officers and Treatment Specialists in regard to rendering substance abuse treatment to offenders. In conjunction with the Chief and Deputy Chiefs, investigating and/or creating new treatment modalities that may increase the effectiveness of services provided offenders under supervision. Development of means to ascertain the effectiveness of current treatment practices and attempt to isolate the variables affecting the outcomes of treatment. Establish guidelines, procedures and practices in regard to substance abuse treatment to be provided in-house by line officers and substance abuse specialists. Provide training to line officers and substance abuse treatment specialists, and ensure they are capable of providing treatment consistent with the standards established by the Department and the Administrative Office of U.S. Courts. Monitor the referral of cases to outside vendors, review the referral practices of all substance abuse treatment specialists in the department to assure uniformity and rationality in the referral process. Provide treatment to offenders identified as the most challenging from a treatment perspective, and provide that treatment in either a group or individual setting, as needed. In conjunction with the department's contract specialist, ensure that funds allocated for substance abuse treatment are utilized effectively and in a manner consistent with standards established by the department and the Administrative Office of U.S. Courts.

1999 - 2004

SENIOR UNITED STATES PROBATION OFFICER: DRUG TREATMENT SPECIALIST

United States Probation Department, Eastern District of New York, Brooklyn, New York
Responsible for the supervision and treatment of a caseload of urban drug abusers, addicts and alcoholics. Maintenance and monitoring of drug treatment contracts and urinalysis supplies. Development of training and educational materials including a drug abuse handbook for use within the department. Provide expert testimony to the Federal Court on drug treatment and urinalysis. Actively engaged in the design and evaluation of new treatment modalities. Special interest in the application of Ericksonian and brief therapeutic techniques against a Jungian model informed by Prochaska's stages of change. Extensive application of time-line therapy, guided imagery, and light trance in the treatment of addictive problems.

1993 - 1999

SENIOR UNITED STATES PROBATION OFFICER: AUTOMATION LIAISON

United States Probation Department, Eastern District of New York, Brooklyn, New York
Provided liaison services between automation staff and administration. Interviewed and assessed applicants for automation positions. Provided programming and trouble shooting in SQL, dBase, and various macro languages. Wrote grant and funding proposals for the department.

1992 - 1993

UNITED STATES PROBATION OFFICER: SPECIAL AUTOMATION ASSIGNMENT

Richard M. Gray, Ph.D.

United States Probation Department, Eastern District of New York, Brooklyn, New York
 Responsible for the design and implementation of the Office Automation Project.
 Involved system design, programming, training and hiring of automation support staff.
 Wrote funding justifications and funding requests for special projects.

1988 - 1992

UNITED STATES PROBATION OFFICER

United States Probation Department, Eastern District of New York, Brooklyn, New York
 Fulfilled supervision and investigative responsibilities for several high-activity inner city caseloads. Performed in-depth social and criminal history investigations, occupational and personal counseling. Assessed client needs for drug, alcohol and mental health treatment and made referrals. Maintained liaison between Courts and service providers.

1983 - 1988

PROBATION OFFICER

Monmouth County Probation Department, Freehold, New Jersey
 Performed investigative and supervisory duties for varied suburban and urban caseloads. Authored pre-sentence investigations, provided counseling and extra-agency referrals for treatment. Provided liaison between the Court and service providers.

1977 - 1983

OTHER PROFESSIONAL EXPERIENCE

ADJUNCT ASSISTANT PROFESSOR

Department of Psychology, St. Francis College, Brooklyn, New York
 Courses taught: Introduction to Psychology, Human Sexuality.
 Internship Advisor

1997 - 2000

2001 - 2003

ADJUNCT INSTRUCTOR

Department of Sociology, Brookdale Community College, Lincroft, New Jersey
 Courses taught: Introduction to Sociology, Marriage and the Family.

1994 - 2000

ADJUNCT INSTRUCTOR

Department of Psychology, Brookdale Community College, Lincroft, New Jersey
 Courses Taught: Introduction to Psychology, Introduction to Addiction Studies,
Addiction and the Family.

1996 - 2003

EXTERNSHIP ADVISOR

Department of Psychology, John Jay College, NY, NY
